

Shelf overview can now be organised by number of items left, shelf position, absolute weight and percentage weight left. Work still needs to be done on the colour scheme and fonts/ layout.

Add Weight

Home Set up Item clear shelf swap shelves help

Add a weight to a shelf (position)

☐ 1: current item : Miniature elephant figurines

☐ 2: current item : Cakes

☐ 3: current item : Buddhist Scriptures

☐ 4: current item : - - - empty - - -

☐ 5: current item : Good cooking guides

☐ 6: current item : Dead Sea Scroll

Weight to add (g):

Added a way to manually enter weight data so the site can be used and tested without access to the scale.
